

## FULL-TIME ELECTRICAL OFFICIAL/INSPECTOR

Qualified candidate will be expected to perform, administer and direct the enforcement and provisions of relevant electrical safety code within the State Uniform Construction Code. Other duties will be, but not limited to:

- Inspect and/or supervise the inspection of construction projects underway to ensure that compliance with plans and specification for electric are approved in accordance with UCC
- Review and approve plans of proposed structures as provided in the UCC
- Final inspection of electrical compliance of all new construction and renovation projects
- Supervising the code compliance for the electrical subcode of all construction and contractors to ensure that required standards are observed in accord with approved plans and specifications
- Review construction to ensure that all materials, methods and assemblies conform to the standards referenced by the code, manufacturer installation directions, and other matters not shown in a set of plans, but nonetheless required for conformity with the code
- Inspect construction sites to check for quality and amount of work completed, as well as resolving construction problems
- Assist the construction official in the preparation of all reports

Qualified candidate must possess a valid New Jersey Driver's License and appropriate UCC license. Strong knowledge of the New Jersey Uniform Electric Code and Mitchell Humphrey preferred.

Interested candidates shall submit a cover letter, resume and salary requirements via email to [hr@robbinsville.net](mailto:hr@robbinsville.net). Please use "Electrical Official" in the subject line.
