

OPIOID OVERDOSE PREVENTION

HELP SAVE A LIFE!

FREE training and FREE Narcan® Nasal Spray Kits for the first 30 participants on a “first-come, first-served” basis.

Training is open to anyone who is at risk for a heroin or opioid overdose or their family or friends.

Education will be provided on how to administer Narcan® (Naloxone) to reverse a heroin or opioid overdose and rescue breathing.

Registration is not required but kits are only available to the first 30 participants.

Date: Wednesday May 16th at 6:00 PM

**Hamilton Area YMCA
1315 Whitehorse-Mercerville Road
Hamilton, NJ 08619**

This training is co-sponsored by the Hamilton Area YMCA

The Opioid Overdose Prevention Project is made possible by funding received from the New Jersey Governor's Council on Alcoholism and Drug Abuse, New Jersey Department of Health and Senior Services, Division of Mental Health and Addiction Services and JSAS HealthCare, Inc.
