

## Robbinsville Recreation Presents Summer Camp 2018 Entering Grades K-5

**Date: Aug 20 – Aug 24**

### **MISSION 2 SPACE (NASA)**

Space, often called “the last frontier”, has inspired scientists, star-gazers and adventurers for generations. Get inspired to go on your own adventure and join us on a Mission 2 Space! Discover some incredible structures at Kennedy Space Center’s Launch Complex 39, travel the surface of the moon on a lunar rover, and explore Mars onboard the “Curiosity”. Our tour would not be complete without a visit to the International Space Station. We’ll provide the bricks; all you need to bring for this adventure is your imagination!

### **TRANSFORMATION CREATION-W/ROBOTICS CHALLENGE**

Get ready to build and discover how your model transforms! Campers will love the mash-up of combination models that can be rebuilt into something different. These awesome 2-in-1 models will include exciting characters, robots, vehicles and more! Follow the step-by-step building plans and ignite your inner engineer by using your imagination to transform your model into something unique. Join us for this fun-filled camp where you’ll use your creativity and engineering skills to build and transform your models robotic by programming them on the computer to make it to do whatever you want!

**Price: \$135(AM) \$145(PM) \$265(Full day)**

**Location: Robbins house  
245 Windsor Road  
Robbinsville**
