Part II For Payees Exempt From Backup Withholding (See Instructions)

Requester's name and address (optional)

Certification.—Under penalties of perjury, I certify that:

- (1) The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding.

Certification Instructions.—You must cross out item (2) above if you have been notified by IRS that you are currently subject to backup withholding because of underreporting interest or dividends on your tax return. For real estate transactions, item (2) does not apply. For mortgage interest paid, the acquisition or abandonment of secured property, contributions to an individual retirement arrangement (IRA), and generally payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (Also see *Signing the Certification under Specific Instructions*, on page 2.)

Instructions

(Section references are to the Internal Revenue Code.)

Purpose of Form.—A person who is required to file an information return with IRS must obtain your correct taxpayer identification number (TIN) to report income paid to you, real estate transactions, mortgage interest you paid, the acquisition or abandonment of secured property, or contributions you made to an individual retirement arrangement (IRA). Use Form W-9 to furnish your correct TIN to the requester (the person asking you to furnish your TIN), and, when applicable, (1) to certify that the TIN you are furnishing is correct (or that you are waiting for a number to be issued), (2) to certify that you are not subject to backup withholding, and (3) to claim exemption from backup withholding if you are an exempt payee. Furnishing your correct TIN and making the appropriate certifications will prevent certain payments from being subject to the 20% backup withholding.

Note: If a requester gives you a form other than a W-9 to request your TIN, you must use the requester's form.

How To Obtain a TIN.—If you do not have a TIN, apply for one immediately. To apply, get Form SS-5, Application for a Social Security Number Card (for individuals), from your local office of the Social Security Administration, or Form SS-4, Application for Employer Identification Number (for businesses and all other entities), from your local Internal Revenue Service office.

To complete Form W-9 if you do not have a TIN, write "Applied For" in the space for the TIN in Part I, sign and date the form, and give it to the requester. Generally, you will then have 60 days to obtain a TIN and furnish it to the requester. If the requester does not receive your TIN within 60 days, backup withholding, if applicable, will begin and continue until you furnish your TIN to the

requester. For reportable interest or dividend payments, the payer must exercise one of the following options concerning backup withholding during this 60-day period. Under option (1), a payer must backup withhold on any withdrawals you make from your account after 7 business days after the requester receives this form back from you. Under option (2), the payer must backup withhold on any reportable interest or dividend payments made to your account, regardless of whether you make any withdrawals. The backup withholding under option (2) must begin no later than 7 business days after the requester receives this form back. Under option (2), the payer is required to refund the amounts withheld if your certified TIN is received within the 60-day period and you were not subject to backup withholding during that period.

Note: Writing "Applied For" on the form means that you have already applied for a TIN OR that you intend to apply for one in the near future.

As soon as you receive your TIN, complete another Form W-9, include your TIN, sign and date the form, and give it to the requester.

What Is Backup Withholding?—Persons making certain payments to you are required to withhold and pay to IRS 20% of such payments under certain conditions. This is called "backup withholding." Payments that could be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee compensation, and certain payments from fishing boat operators, but do not include real estate transactions.

If you give the requester your correct TIN, make the appropriate certifications, and report all your taxable interest and dividends on your tax return, your payments will not be subject to backup withholding. Payments you receive will be subject to backup withholding if:

- (1) You do not furnish your TIN to the requester, or

- (2) IRS notifies the requester that you furnished an incorrect TIN, or
- (3) You are notified by IRS that you are subject to backup withholding because you failed to report all your interest and dividends on your tax return (for reportable interest and dividends only), or
- (4) You fail to certify to the requester that you are not subject to backup withholding under (3) above (for reportable interest and dividend accounts opened after 1983 only), or
- (5) You fail to certify your TIN. This applies only to reportable interest, dividend, broker, or barter exchange accounts opened after 1983, or broker accounts considered inactive in 1983.

Except as explained in (5) above, other reportable payments are subject to backup withholding only if (1) or (2) above applies.

Certain payees and payments are exempt from backup withholding and information reporting. See *Payees and Payments Exempt From Backup Withholding*, below, and *Exempt Payees and Payments under Specific Instructions*, on page 2, if you are an exempt payee.

Payees and Payments Exempt From Backup Withholding.—The following is a list of payees exempt from backup withholding and for which no information reporting is required. For interest and dividends, all listed payees are exempt except item (9). For broker transactions, payees listed in (1) through (13) and a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker are exempt. Payments subject to reporting under sections 6041 and 6041A are generally exempt from backup withholding only if made to payees described in items (1) through (7), except that a corporation that provides medical and health care services or bills and collects payments for such services is

not exempt from backup withholding or information reporting. Only payees described in items (2) through (6) are exempt from backup withholding for barter exchange transactions, patronage dividends, and payments by certain fishing boat operators.

- Payments to partnerships not engaged in a trade or business in the U.S. and that have at least one nonresident partner.
- Payments of patronage dividends not paid in money.

- Payments of tax-exempt interest (including exempt-interest dividends under section 852).
- Payments described in section 6049(b)(5) to nonresident aliens.
- Payments on tax-free covenant bonds under section 1451.
- Payments made by certain foreign organizations.
- Mortgage interest paid by you.

Payments that are not subject to information reporting are also not subject to backup withholding. For details, see sections 6041, 6041A(a), 6042, 6044, 6045, 6049, 6050A, and 6050N, and the regulations under those sections.

Penalties

Failure To Furnish TIN.—If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil Penalty for False Information With Respect to Withholding.—If you make a false statement with no reasonable basis that results in no imposition of backup withholding, you are subject to a penalty of \$500.

Criminal Penalty for Falsifying Information.—Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Specific Instructions

Name.—If you are an individual, you must generally provide the name shown on your social security card. IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. You must provide your TIN whether or not you are required to file a tax return. B. The application charge is a flat fee to cover direct administrative expenses and is nonrefundable.

(1) The escrow account is established to cover the costs of professional services, including engineering, legal, planning, professional personnel on salary and consultants retained to evaluate material submitted with the application, and other expenses connected with the review of the submitted materials. Sums not utilized in the review process shall be returned to the

applicant. If additional sums are deemed necessary, the applicant shall be notified of the required additional amount and shall add such sum to the escrow.

- (2) The Township Treasurer shall monthly advise the Planning/Zoning Administrator of the balance of all escrow accounts and whether additional funds are required. In the event additional funds are required, it shall be the obligation of the Planning/Zoning Administrator to notify the applicant of the additional escrow amount required, and in the event there is a refusal or failure to make the payments required, the Planning/Zoning Administrator shall notify the approving Board and the Township Construction Office.
 - (3) The escrow associated with each application shall be replenished whenever the original escrow is reduced by charges against the account to 35% or less of the original amount. The Planning/Zoning Administrator shall notify the applicant of the requirement to replenish the escrow, and the applicant shall be requested to deposit an amount to bring the balance up to 100% of the original escrow amount. No building permits or certificates of occupancy shall be issued until the additional escrow has been paid. Any fees paid for informal concept without professional review shall be a credit toward fees for a subsequent application for development by the same applicant and for the same development.
 - (4) The amount of additional escrow monies shall be determined by the Technical Review Committee.
- C. Where one application for development includes several approval requests, the sum of the individual required fees shall be paid. The applicant shall provide a detailed breakdown of each calculation used in determining the fee pursuant to a form prescribed by the Planning/Zoning Administrator.
- D. Each applicant for subdivision or site plan approval shall agree, in writing, to pay all reasonable costs for professional review of the application, including costs incurred with any informal review of a concept plan which may have preceded the submission of a preliminary application. Additionally, each applicant shall agree, in writing, to pay all reasonable costs for the municipal inspection of the constructed improvements. All such costs for review and inspection must be paid before any construction permit is issued, and all remaining costs must be paid in full before any occupancy of the premises is permitted or certificate of occupancy is issued.
- E. If an applicant desires a court reporter, the cost of taking testimony and transcribing it and providing a copy of the transcript to the Township shall be at the expense of the applicant, who shall arrange for the reporter's attendance. This shall be mandatory for all use variance applications pursuant to § 142-74C(2).
- F. Notwithstanding the schedule of fees and charges contained in this section, any person(s) proposing any development within the Township of Robbinsville may request that the Planning Board provide it with an express informal concept review without the necessity for prior review by the Township's professionals. This review is optional and the developer may choose an informal concept review with such professional review or without such review. Any developer requesting an express informal concept review pursuant to this subsection shall comply with the following:
- (1) The submission of a fee of \$500 which shall be deemed to be a credit toward fees for review of any application subsequently filed by the applicant for development which is essentially the same to that which was the subject of the express informal concept review in accordance with N.J.S.A. 40:55D-10.1.
 - (2) The maximum time to be allotted for an express review shall not exceed 20 minutes and shall be scheduled at the discretion of the Technical Review Committee, unless the time is extended by the Board pursuant to good cause shown.
 - (3) If an additional appearance(s) is required, an additional charge of \$500 for each appearance shall be paid by the developer prior to each appearance. Said fees shall be deemed to be a credit toward fees for review of any application subsequently filed by the applicant for development which is essentially the same to that which was the subject of the express informal concept review in accordance with N.J.S.A. 40:55D-10.1. Thereafter, the Board may establish a

time frame within which the applicant shall file a formal development application(s) pursuant to applicable Township ordinances.

- G. In the event that an applicant requests informal concept review and (1) a revised Master Plan has been adopted but no implementing Zoning Ordinance has been adopted or (2) the applicant proposes development which is consistent with the Master Plan but does not comport with the Zoning Ordinance in use, floor area ratio or density or the applicant submits for review a draft of a proposed ordinance or of amendments to the Zoning Ordinance, the applicant shall deposit the sum of \$2,500 in escrow at the time of request for informal concept review, as funds to cover the costs of professional services, including engineering, legal and planning review. In the event said escrow is depleted in the course of the review, the applicant shall immediately deposit additional funds in the escrow account, in an amount specified by the Planning/Zoning Administrator, to cover any deficiency in said amount and to cover any additional anticipated costs of professional services, including engineering, legal and planning review.
- H. In the event a property owner or other interested party requests review of any ordinance or the Master Plan of the Township as it relates to a particular property, the property owner or other interested party shall deposit the sum of \$1,000 in escrow at the time the request for ordinance or Master Plan review is made, to cover the costs of professional services, including engineering, legal and planning review prior to the matter being referred to the appropriate professional(s) for review. In the event said escrow is depleted in the course of the review, the applicant shall immediately deposit additional funds in the escrow account, in an amount specified by the Planning/Zoning Administrator, to cover any deficiency in said amount and to cover any additional anticipated costs of professional services, including engineering, legal and planning review.

§ 142-89. Guarantees and inspections. [Amended by Ord. No. 80-7; Ord. No. 83-16; Ord. No. 84-3; Ord. No. 89-14; Ord. No. 97-16]

A. Performance guaranty estimate.

- (1) No final application for development shall be approved by the Board until the satisfactory completion and performance of all such required improvements have been certified to the Board by the Township Engineer, unless the owner shall have:
- (a) Satisfactorily completed all required utility installations and their appurtenances, including water mains, culverts, storm sewers, sanitary sewers or dry sewers and drainage facilities;
 - (b) Satisfactorily completed all required grading and the construction of the base course surfacing of all streets;
 - (c) Satisfactorily completed the construction of all required curbs; or
 - (d) Filed with the municipality a performance guaranty sufficient in amount to cover the cost of all remaining specified improvements, as estimated by the Township Engineer, and assuring the installation of said improvements on or before an agreed date and as hereinafter provided.
- (2) In any case, the remaining specified improvements shall be at least 50% completed within one year from the date of final approval, at least 75% completed within 18 months from the date of final approval and entirely completed and accepted by the Township within two years from the date of final approval.
- (3) A performance guaranty estimate shall be prepared by the Township Engineer setting forth all requirements for improvements as fixed by the Board and their estimated cost. The governing body shall pass a resolution either approving or adjusting this performance guaranty.
- (4) In the case of planned village development in which the development is to be completed in sections, no building permits may be issued for the construction of units in any section subsequent to the first until the construction authorized in the previous section has been

substantially completed. "Substantially completed" shall mean that, as a minimum, all exterior finish, paving, fine grading, seeding and landscaping shall have been completed.

B. Approval by Board Attorney.

- (1) The subdivider shall present two copies of the performance guaranty in an amount equal to 120% of the approved performance guaranty estimate for approval as to form and execution by the Attorney for the Board.
- (2) The Attorney for the Board shall notify the Secretary of the Board prior to the meeting that the performance guaranty is properly executed and can be added to the agenda.

C. Bonding and cash requirements.

- (1) The performance guarantee shall be made payable and deposited to Robbinsville Township and shall be in the form of cash or a certified check, irrevocable standby letter of credit, or a performance bond in which the owner shall be principal, the bond to be provided by any acceptable surety company licensed to do business in the State of New Jersey. The Township shall issue its receipt for such deposits and shall cause the same to be deposited in a bank named by the Township in the name of the Township to be retained as security for completion of all requirements and to be returned to the owner on completion of all required work, or, in the event of default on the part of the owner, to be used by the Township to pay the cost and expense of obtaining completion of all requirements. Every bond, whether cash or surety, shall contain a clause to the effect that a determination by the Township Engineer that the principal has defaulted in the performance of his obligation shall be binding and conclusive upon the surety and the principal. If the applicant elects to post an irrevocable letter of credit, the same must be submitted to the Township Attorney for approval prior to acceptance by the governing body. Same must be in a form same or similar to that set forth herein.
- (2) Ten percent of the amount of the approved performance guaranty estimated shall be deposited by the owner in cash with the Township. The remaining 90% may be in cash, surety bonds, certified check or irrevocable standby letter of credit in the favor of the Township. In the event of default, the 10% fund herein mentioned shall be first applied to the completion of the requirements, and the cash, surety bond, certified check or irrevocable standby letter of credit shall thereafter be resorted to, if necessary, for the completion of the requirements. The cash or surety bond may recite the foregoing provisions.
