Discover Kindergarten:

Your Choice of 6 One-week Sessions of Summer Fun & Enrichment for Students Entering Kindergarten in September 2012

Robert Fulghum said, “All I ever needed to know I learned in Kindergarten.” Because Kindergarten marks the official beginning of a child’s school career, R.E.D. is committed to providing an opportunity for incoming Kindergarten students to experience some of the challenges of a Robbinsville school day during a fun and inviting summer camp experience. Our Discover Kindergarten program will offer students a chance to meet new friends, learn through reading, drama, and games, and have fun with crafts and outdoor games. Both the half-day and full-day programs are taught by district faculty and will provide a carefree way to become accustomed to the routine of Kindergarten while enjoying a fun filled summer.
