Robbinsville Township
Public Relations and Social Media Policy
(Updated: December 21, 2016)

Purpose:

This policy sets forth guidelines for the establishment and use by Robbinsville Township of all social media sites as a means of conveying township-related information to its residents, employees and visitors. The Township has an over-riding interest and expectation in deciding what is “spoken” on behalf of the Township on its social media sites.

For purposes of this policy, “social media” is understood to be content created by individuals, using accessible, expandable, and upgradable publishing technologies, through and on the Internet. Examples of social media include Facebook, blogs, Instagram, MySpace, RSS, YouTube, Second Life, Twitter, LinkedIn, SnapChat, Delicious, Tumblr and Flicker. For purposes of this policy, “comments” include information, articles and pictures. It also includes other communication mediums created by the Township and the Robbinsville Township Office of Emergency Management (OEM), including but not limited to Nixle and reverse 911.

Scope:

This policy shall apply to all municipal agencies and departments, as well as any affiliated government or non-government agency, official and/or commission or Council permitted by the Township to post on Robbinsville Township social media sites.

General Policy:

1. These guidelines must be displayed to users or made available by hyperlink.
2. The Robbinsville Township website at www.robbinsville-twp.org and/or www.robbinsville.net will remain the primary and official internet presence for information.
3. Township social media sites and this policy are subject to all applicable federal and NJ laws and regulations, as well as applicable record-retention requirements.
4. Employees representing the Township via its social media sites must conduct themselves at all times as a representative of the Township and in accordance with all of its policies.
5. This Social Media Policy may be revised at any time by the Township Business Administrator and/or Township Council.
6. Items submitted for use in the Township’s weekly Newsfeed must be approved in advance by the Business Administrator and the Office of Communications and Public Information.

Public Relations & Information:

- Although the Township does not copyright its content, proper attribution for any content reproduced in any public forum or news publication must be given to the Township, unless otherwise waived by the Office of Communications and Public Information.
- Following any Grand Opening announcement for a local business, unless there is a change of ownership, location change, a substantial remodeling or restructuring of the business, the Township cannot directly promote that business. This is done to keep a level playing field among all competing businesses. The lone exception to this guideline is if the business or sponsored endeavor is used to promote a non-profit or non-political fundraising/charity event.
- It is the responsibility of the Robbinsville School District to secure all necessary parental permissions before submitting photographs of children for use on any of the Township’s media portals. Since the school district and the Township are two separate and distinct entities, the Business Administrator and the Office of Communications and Public Information reserve the right to disqualify any photographs containing unauthorized images of children, district employees, board members or other officials in order to prevent preferential treatment to any one person or group.

Social Media:

The sole purpose of social media sites used by the Township is to present information concerning Robbinsville Township and its government to its residents, businesses and visitors. Please note these are moderated online discussion sites and a limited public forum. The Township’s social media sites are not intended for comments that do not relate to the purpose or topic posted. User comments should directly relate to the comments posted or displayed by the Township on this site, and the site is not meant for comments that do not relate directly to the purpose or topic established by the Township. General inquiries, comments, communications and service requests should be submitted directly to the Township. The information on the Township’s social media sites does not constitute the official record of any agency or entity within the Township. To request official records, you must contact the Township Clerk at 609-259-3600 ext. 105 or visit www.robbinsville-twp.org. Comments, media, or other information posted to or displayed on the sites are subject to monitoring and review at any time. Users of the site(s) should have no expectation of privacy with respect to any such comments, media or other information.
